At Wilmington this 18th day of December, 2007, having conducted an evidentiary hearing in connection with the default judgment entered against defendant; and plaintiff having made a claim, inter alia, for lost wages in the amount of \$64,000 per year;

IT IS ORDERED that, on or before January 4, 2008, plaintiff shall furnish to the court, under seal, copies of her income tax returns for the years 2000 - 2003. Failure of the plaintiff to timely comply shall result in her requested wages being reduced by half; i.e., the court will find that plaintiff's "lost" wages are no more than \$32,000 per year.
